

# General and Misc. Questions

## Who is Fred Haslam?

Fred Haslam is a game designer and the son of writer Gerald Haslam.

Haslam co-created SimCity 2000 with Will Wright. He is also the owner and creator of the game site Fred's Friends (Friends) which is the home of a number of free and pay games, Dragon Court, in particular. In 2004, Haslam and his family moved to Vancouver, Washington in 2004 and there he continues to work on his world of games and education at Washington State University Vancouver.
